QP Module 11 - Financial Reporting & QP Module 12 - Business Finance

Ted Chan
(FCPA, CFA)

Experience

- A well-known QP lecturer who has taught Big4 and individual clients with outstanding performance for more than 10 years
- A highly renowned and award-winning lecturer
- 2 years of lecturer experience in the Hang Seng University of Hong Kong, teaching financial reporting and management accounting
- 5 years of auditor experience in Big 4, providing services to listed companies in various industries

Key Highlights of QP Module 11

- Provide the outline of Hong Kong legal framework and related implications for business activities
- Provide customized lecture notes summarizing the key topics and adopt a revision-based approach which allows students to better prepare for the real examination
- Guide students on how to track the tricky questions under tight examination condition by effectively identifying the relevant issues for each question

Key Highlights of QP Module 12

- Focus on the key techniques to handle financial analysis and relevant calculations
- Help students to reinforce the understanding on major or difficult topics by focusing on past examination papers and the examiner requirements
- Pick different kinds of past examination questions to address the common mistakes made by students

QP Module 13 - Business Assurance

Noel Leung
(FCPA, HKICS, ICSA, MBA)

Experience

- Currently serving as a Financial Controller in a listed company
- Possesses professional knowledge in financial reporting and taxation
- A top-rated QP lecturer with more than 10 years of experience, especially in QPC (Module 13) teaching
- 6 years of experience as a lecturer in a university in Hong Kong
- 5 years of experience as an Associate Director in an audit firm

Key Highlights of QP Module 13

- Equip students with fundamental concepts of ethical standards, legislation and professional guidance
- Focus on key topics of planning, performing and completing assurance engagements with the applications of relevant Hong Kong standards
- Provide examination-focused revision notes to strengthen students' understanding and comprehension on abstract audit concepts

QP Module 14 - Taxation

Dr. Angus Ho
(DBA, LL.M, CPA(HK), CTA)

Experience

- Examiner of various professional bodies for setting qualification examination papers in Hong Kong
- Tax Partner in ShineWing Hong Kong for over 10 years
- Extensive experience as a Tax Director in well-known international accounting firms
- 5 years of experience as a Visiting Lecturer for Master Degrees in Taxation and Corporate Governance disciplines in Hong Kong Polytechnic University
- Dissertation Supervisor for Master Degrees in business discipline of The University of Warwick since 2014

Key Highlights of QP Module 14

- Provide intensive review on major and popular topics commonly found in examinations
- Offer highlight of key knowledge for encountering generic questions in examinations
- Provide coaching on analytical skills in comprehending qualitative questions requiring in-depth evaluation and application of revenue law established principles
- Enhance students' practical skills in handling quantitative questions requiring essential computations

What is Intensive Course?

It aims at intensively enhancing students' examination techniques and problem solving skills. Lecturers will recap key concepts and teach how to address the examination questions.

- Recap understanding of acquired knowledge and important concepts
- Develop problem solving skills
- Focus on a hot list of topics most likely to be included in the examination
- Analyze past examination papers and relevant examination techniques
